Join the JMMS PATT “Check In, Not Out”!

Parent involvement is different than when your child was in elementary school, but even more important than ever. Middle school is an exciting time of transition, growth and independence for your child. They may face new challenges around their time management and organizational skills, self-esteem, academic pressure, peer pressure and drama, temptation and having to deal with disappointment and rejection - and don't forget about social media. That's why the JMMS PATT wants you to remember that this is the time for you as a parent to “Check In, Not Out”!

The PATT (Parents and Teachers Together) helps make JMMS a better school in two ways:

1. **We raise money** that goes toward classroom materials, class field trips, speakers and assemblies, and books for the library. We work with the JMMS staff to make sure our kids have the resources and materials they need.
2. **We show up.** All events are planned and staffed by PATT volunteers. Activities that give the kids a chance to have fun and make some good memories, plus it gives you a chance to interact with your child in a different way.

We understand that time is a parent's most precious commodity, so we don't want to waste yours! Sign up to the PATT communications via email and we'll let you know what's going on and what volunteer time is needed. Whatever your schedule is like - even if you have only 30 minutes to spare - you'll find opportunities to help: days, evenings, or even the occasional Saturday.

And although you aren't *required* to attend the monthly PATT meetings, everyone is welcome. This year the meetings will be on the second Tuesday of the month @ 10am,. **Our first meeting will be held on September 11th.**
